

## Screening Policy Notice – Notice under RCW 59.18.257

In the applicant screening process, we will obtain a consumer credit report and/or an investigative consumer report which include, without limitation, accessing court records and information regarding the applicant's creditworthiness, income, employment, and rental history, and which may include information as to the applicant's reputation, characteristics, and mode of living.

Income plus verified credit history will be entered into a credit scoring model to determine whether to approve, conditionally approve, or deny an application.

Unfavorable accounts which will negatively influence the credit score include, but are not limited to: collections, charge-off, repossession, and current recent delinquency. Open bankruptcies, or bankruptcies discharged and/or closed within the past 12 months, a prior eviction or eviction judgment in the past 7 years, will result in an automatic denial of an application.

A consumer report will be used in making our rental decision. The name and address of the consumer reporting agency is:

RentGrow, Inc.

177 Huntington Ave, Suite 1703 #74213
